PRESIDENT'S REPORT

Being the first report after the sad passing of Mr. Jack Bedford OAM JP earlier this year I would firstly like to wish all our Sub-Branch members a happy and holy Christmas and a wonderful 2017. There as been considerable activity in the Sub-Branch over the past year with the sale of the Club to the Community Club. The plans for the new RSL Club on the corner of Meredith and Marion Streets are on display and it looks like a very impressive building. Of course the Sub-Branch will be moving with the Club to the new site.

Without stealing the Treasurer's thunder, the Sub-Branch is in a sound financial position but I'm sure Ian will elaborate on that. The Sub-Branch has been very busy during 2016 with ceremonial functions in the Court House Reserve, Lunch and entertainment functions for members in the Club, ceremonies at various aged care facilities within the Bankstown are as well as school presentations of scholarships. As you can well imagine all this requires a lot of time and effort to put together. The Sub-Branch is indeed fortunate in having a really hard working and dedicated committee of volunteers to carry this out. I try not to mention individuals for fear of missing someone out but I must mention that all of the above is mainly due to the untiring efforts and long hours put in by Honorary Secretary John Woodley. The Sub-Branch is also very grateful for the ongoing support that we received from all the staff of the club.

The Annual General Meeting will be held in the Club on Sunday 26th February 2017 at 10:30am and all committee positions will be decided. Please make sure you make every effort to attend this very important meeting. The committee is made up of very dedicated workers, however we would really love to see two fine upstanding individuals put up their hand

for Assistant Treasurer. So if you think you can help in either of these two areas please leave your details with the Club reception or contact any current committee member.

On a sadder note, we have had 17 Sub-Branch members pass away in 2016. It is still disappointing to see the low turnout at the quarterly meetings. Remember this is your Sub- Branch so please get behind it.

Once again, a Merry and Holy Christmas to all Sub-Branch members and all the best for 2017.

LEST WE FORGET

TREASURER'S REPORT

Happy New Year Sub Branch Members,

2016 was once again another successful year in terms of our finances.

The decision to place our investments in the hands of Ethinvest would seem to have been a wise one.

The quarterly dividends have been well within the forecast range and we continue to receive monthly payments of \$10k from the Bankstown RSL Club Ltd as agreed upon in the sale document.

Our bank accounts as at 20 Dec stand at:

Flexi 1 (working a/c).....	\$83,229.41
Flexi 2 (investment a/c).....	\$150,336.16
Cash Reserve a/c.....	\$80,349.30
Term Deposit a/c.....	\$114,765.07
Petty cash.....	\$200.00

\$10,000,000.00 Invested with 'Ethinvest' yielded approx. \$180,000.00 in interest in yr 2016.

Your committee continues to receive monthly Portfolio Valuation reports from Matthew Hicks at Ethinvest who provides us with valuable information regarding our varied investments.

Should any member feel the need to query any of the information provided in this report or elsewhere in the booklet please feel comfortable in contacting me via the club reception.

To sum up, the sub branch finances continue to remain healthy.

I would like to express my condolences to the families who have lost loved ones throughout the year, for some it will not be the Christmas they'd have wished for.

A very happy, holy and safe Christmas to everyone.

All the very best for the year to come, may good health be your constant companion.

Ian Morrison
Treasurer

HONORARY SECRETARY'S REPORT

Hi Everyone, this is my 7th report since I have had the position of secretary, 2016 has been a very busy year for me and I am thankful that I have had lots of assistance from Margaret Oliver.

I also wish to thank Scott Dickson and all of the staff for their assistance and their co-operation throughout 2016. Val & Michelle (Reception) have been a great help in all aspects of Sub-Branch memberships and our functions. Denise Williams (Admin Office) gives me advice on any queries I have on Administration

and Banking. Denise's assistance has been invaluable to me during 2016.

We have continued to hold ANZAC and Remembrance Day Services in the Court House Reserve. We get a moderate support from our members and the general public. We also conduct ANZAC Services at Bankstown Hospital and nursing homes in the Bankstown area. For those whom attend our Memorial services at the Court house reserve you would have noticed the big improvement in our sound system, this is due to the great work in setting up by our committee members, Ian Morrison (Treasurer), Terry Corcoran (President) and Jim Wrigley (Vice President) my thanks go out to them.

I also wish to thank Tom Hure & Jim Wrigley as our delegates for the Far Southern

Metropolitan District Council, they attend approximately 7 meetings each year plus attending the State Congress. The other committee members Chien Nguyen, Henry Pham and Keith Menzies, thank you for your support for all tasks assigned to you.

The committee attend 15 meetings, conduct services at 6 aged care facilities, school presentations and services if requested. We also attend other Sub-Branch invitations.

Sadly we lost 17 members during 2016, Jack Bedford's passing in May hit everyone who knew Jack and he is a great loss to our club and the other clubs in the FSMDC. Jack rest in peace with your beloved wife Beryl.

Attendances at our AGM and Quarterly meetings have improved with 60 members at the December Quarterly meeting, but we can do better, so please attend every meeting that you are able. The committee is working very hard during the year and you can let

us know that we have your support by attending our meetings, so come along and have your say or ask questions, then join us for some refreshments, drinks and introduce yourself to your committee.

Our three functions during 2016 were well attended and were very successful. If we could get all of our members who attend these functions to also attend our AGM and our four quarterly meetings this Sub-Branch could really go forward in assisting our members with any help they require.

Towards the end of the year we were kept busy by the local schools and were invited to attend their end of year presentations, due to some of the dates conflicting with other commitments we were only able to attend 3 school presentation, Terry Corcoran, Chien Nguyen, Tom Hure and myself attended and presented scholarship certificates & cheques to the successful students. Our Sub-Branch give a \$500.00 scholarship to 1 boy and 1 girl from 15 local schools, this is a very time consuming task but very pleasing to be involved.

Jim Wrigley has stepped up and now conducts the RSL funeral Service for our members who pass away, if any member wishes to assist Jim please contact me or see Jim at the AGM. Thanks Jim.

I hope that you all have had a very enjoyable Christmas with your families and I wish you all the best for 2017

WELFARE BENEFIT

As you are all aware that the Sub-Branch gives up to \$1,000.00 to the Widow or dependants of any of our financial members who pass away, This is not automatic and must be applied for by contacting the Sub-Branch via the reception at the club. As this is a welfare benefit to assist with the cost of the funeral, the family must inform the club that they need assistance with the funeral cost.

As the Sub-Branch is a registered Charity this is an Australian Taxation Office requirement.

We have been instructed that we are not to pay this benefit directly to the family, it must be paid to the Funeral Director Would all members please let their families know of this procedure.

The Funeral director is requested to send an invoice to the Sub-branch for \$1,000.00 from the Sub-Branch, if funeral Directors are unsure please ask them to contact the Bankstown RSL Club.

At our Quarterly meeting on the 15th December all Sub-Branch members whom had attended 3 meetings present were given a ham for Christmas.

This will be an ongoing reward for members supporting the Sub-Branch, to be given a ham at the December quarterly meeting you must be present at that meeting, in addition to be eligible to receive a ham you must have attended two other meeting during the year that is the AGM and one of the three other quarterly meetings or two of the other quarterly meetings. This will be confirmed by the attendance book prior to the December meeting , if any member attends the December meeting and has not attended two other meetings during the year they will not receive a ham.

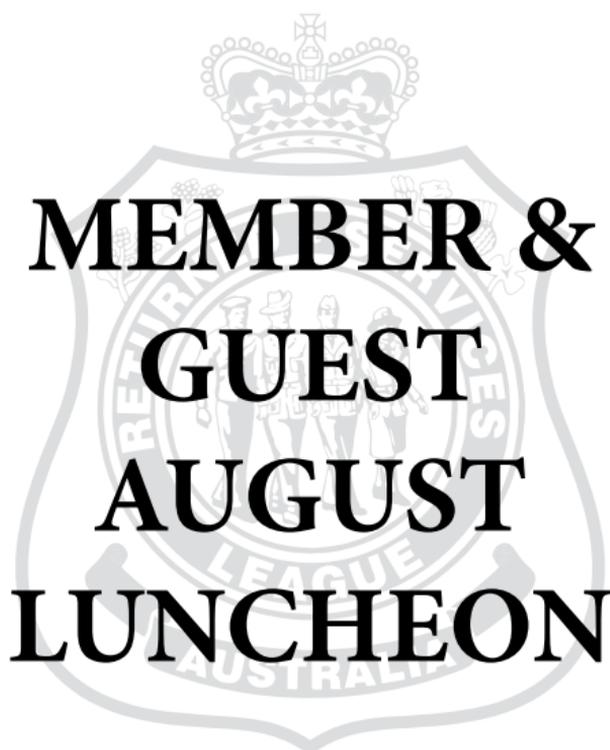

See you at the AGM on the 26st February, 2017
Committee elections to be held at the AGM.

Nominations will be mid January, nominations can be obtained at reception.

I - BASIS OF PREPARATION

In the opinion of the Committee of Management, the Association is not a reporting entity since there are unlikely to exist users of the financial report who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Act.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors and AASB 1054 Australian Additional Disclosures.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non current assets, financial assets and financial liabilities.

**2 - SUMMARY OF SIGNIFICANT
ACCOUNTING POLICIES**

INCOME TAX

The Sub-Branch is not liable for income tax.

PLANT AND EQUIPMENT

Plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment of losses. Plant and equipment is depreciated on a straight line basis over the assets useful life to the Association, commencing when the asset is ready for use.

The depreciable amount of all plant and equipment is depreciated over the useful lives of the assets to the Association commencing from the time the asset is held ready for use.

IMPAIRMENT OF NON-FINANCIAL ASSETS

At the end of each reporting period the association determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the assets is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprises cash on hand, demand deposits and short term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

REVENUE AND OTHER INCOME

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Rental income

Investment property revenue is recognised on a straight-line basis over the period of the lease term so as to reflect a constant periodic rate of return on the net investment.

Interest revenue

Interest revenue is recognised using the effective interest rate method.

Rendering of services

Revenue in relation to rendering of services is recognised depending on whether the outcome of the services can be estimated reliably. If the outcome can be estimated reliably then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period. If the outcome cannot be reliably estimated then revenue is recognised to the extent of expenses recognised that are recoverable.

If the outcome cannot be reliably estimated then revenue is recognised to the extent of expenses recognised that are recoverable.

Revenue from training services is generally recognised once the training has been delivered.

Good and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the balance sheet.

**INDEPENDENT AUDITOR'S REPORT TO THE
MEMBERS OF THE CITY OF
BANKSTOWN RSL SUB-BRANCH

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of City of Bankstown RSL Sub-Branch (the association), which comprises the balance sheet as at 31 December 2016, and the income and expenditure statement and cash flow statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Associations Incorporation Act 2009 and for such internal control as the committee determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditors' Opinion

In our opinion:

The financial report of City of Bankstown RSL Sub-Branch is in accordance with the Associations Incorporation Act 2009 including:

- (i) Giving a true and fair view of the Association's financial position as at 31 December 2016 and of their performance and cash flows for the year ended on that date; and
- (ii) Complying with the Australian Accounting Standards

The financial report also complies with International Financial Reporting Standards as disclosed in Note 1.
